

Rebuilding Collapsed Fisheries and Threatened Communities

International Symposium

Bonne Bay, Newfoundland and Labrador, Canada

October 1-4, 2012

COMMUNITY - UNIVERSITY RESEARCH
FOR RECOVERY ALLIANCE

CALL FOR SESSION PROPOSALS

An international symposium, **Rebuilding Collapsed Fisheries and Threatened Communities**, will be held in Bonne Bay, Newfoundland and Labrador, October 1-4, 2012. Bonne Bay is in the heart of Gros Morne National Park, a UNESCO World Heritage Site in western Newfoundland, and the home of Memorial University's Bonne Bay Marine Station.

We are inviting proposals for topical sessions that would discuss the lessons learned from taking a problem-solving approach to rebuilding fish stocks, fisheries and fishing communities. **Deadline for proposals is November 9, 2011.**
